Schedule A	Grievance Report Form	
Schedule B	Salary Schedule	
Schedule C	Supplemental Pay Schedule	

Article I: GRIEVANCE PROCEDURE

A. A grievance shall mean only an allegation that there has been a violation, misinterpretation, or misapplication of any of the specific provisions of this agreement.

B. Every employee covered by this agreement shall have the right to present grievances in accordance with these procedures.

C. The failure of a teacher or the Association to act on any grievance within the prescribed time limits will act as a bar to any further appeal. An administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.

D. It is agreed that any investigation or other handling or processing of any grievance by the grieving employee or Association shall be conducted so as to result in no interference with or interruption of the instructional program and related activities of the grieving employee or the teaching staff.

E. First Step

1. An attempt shall be made to resolve any grievance in informal, verbal discussion between the complainant or Association and the principal. If the Association attempts to resolve the grievance, it will be limited to no more than five members being involved at any one level.

F. Second Step

1. If the grievance cannot be resolved informally, the aggrieved employee or Association (if the grievance involves the Association or more than five employees) shall file the grievance in writing and, at a mutually agreeable time, discuss the matter with the principal. The written grievance shall state the nature of the grievance, shall note the specific clause or clauses of the collective bargaining agreement allegedly violated, and

shall state the remedy requested. The filing of the formal, written grievance at the second step must be within twenty-five (25) school days from the date of occurrence of the event giving rise to the grievance. The principal shall make a decision of the grievance and communicate it in writing to the employee or Association and superintendent within ten (10) school days after receipt of the grievance.

G. Third Step

1. In the event a grievance is not resolved satisfactorily at the second step, the grievant shall file, within five (5) school days of the principal's written decision at the second step, a copy of the grievance with the superintendent. Within ten (10) school days after the written grievance is filed, the aggrieved and superintendent or his designee shall meet to resolve the grievance. The superintendent or his designee shall file an answer within ten (10) school days of the third-step grievance meeting and communicate it in writing to the grievant and the principal.

H. Fourth Step

1. If the grievance is not resolved satisfactorily at the third step, there shall be available a fourth step of impartial, binding arbitration. The Association may submit in writing a request on behalf of the Association and the grievant to the superintendent within twenty-one (21) school days from receipt of the step three answer to enter into such arbitration. The arbitration proceeding shall be conducted by an arbitrator to be selected by the two parties within five (5) school days after said notice is given. If the two parties fail to reach agreement on an arbitrator within five (5) school days, a written request for a list of arbitrators shall be made to the Public Employment Relations Board (PERB) by either party. The list shall consist of seven (7) arbitrators, and the parties shall determine by lot which party shall have the right to remove the first name from the list. The party

having first right to remove a name shall do it within two (2) school days after receipt of the list. The other party shall have two (2) additional school days to remove one of the remaining two names. The person whose name remains shall be the arbitrator.

Arbitration sessions shall be conducted outside the grievant's working day.

I. Expenses for the arbitrator's services shall be borne equally by both parties.

J. The arbitrator's opinion shall not amend, modify, nullify, ignore, or add to the provisions of this agreement. Authority shall be strictly limited to recommending a resolution of the issue or issues presented in writing by the Board and Association, and recommendations must be based solely upon interpretation of the meaning or application of the express relevant language of the agreement.

K. If the Association or any employee files any claim or complaint in any other form than under the grievance procedure of this agreement, then the Board shall not be required to process the same claim or set of facts through the grievance procedure.

L. All meetings and hearings under this procedure shall be conducted in private and shall include only witnesses, the parties in interest (limited to five), and their designated or selected representatives, heretofore referred in this article.

M. In the above grievance procedure all references to "school days" means the five (5) regular working days. This includes the whole calendar year. In the summer months "school days" shall be interpreted as business days when the superintendent's office is open.

Article II: DUES DEDUCTION

A. Authorization

1. Any employee who is a member of the Association, or who has applied for membership, may sign and deliver to the Board a properly executed written assignment authorizing payroll deduction of professional dues.

C. Duration

1. An employee may terminate the dues deduction authorization at any time by giving thirty (30) days written notice to both the Association and the administration.

D. Transmission of Dues

1. The Board shall transmit to the Association the total monthly deduction for professional dues and a listing of the employees for whom the deduction was made within thirty (30) days following the date on which the deduction was made.

E. Hold-Harmless Clause

1. Additions to the salary schedule:

- a) Only graduate hours in the teacher's educational fields from an N.C.A. or equivalent accredited school will be recognized as hours that will be used to advance teachers from the BA level, (unless courses are required by an accredited institution for an MA in their teaching field or any courses required by the state for recertification), to the BA+32 level. No one will be placed beyond the BA+32 level unless hours are in the teacher's field. Graduate hours taken preceding a masters degree in their teaching field, but not counted towards the degree may be used to move to MA+12 and beyond. Written approval from the superintendent must be received for any course work presented in support of an application for salary advancement.

- f) The pay periods will be the first of each month.
- g) If the pay period falls on a weekend, the employees shall receive checks on the Friday before. The checks are not to be deposited or cashed until the first of the month. Any staff member not complying with this contract guideline will lose this privilege for the remainder of the contract year.
